 reuse for Greater Manchester

Donate your unwanted furniture at Arkwright Street Household Waste Recycling Centre

As part of our commitment to provide a world class service across Greater Manchester, this Household Waste Recycling Centre now accepts donations of unwanted household furniture for re-use. The new service is delivered in partnership with Bulky Bob's.

If you are updating your furniture or thinking of having a spring clean then why not donate your unwanted items. All donated furniture at Arkwright Street is collected by Bulky Bob's, a social enterprise in Oldham committed to supporting the community by offering employment opportunities and providing good quality reusable furniture to families on low-incomes. By donating your furniture you will:

- help to reduce the amount of items that go to landfill
- help others in your local community

Check the list of accepted furniture (see overleaf) or speak to one of the site operatives to discuss donating your furniture.

How does it work?

- Bring your unwanted items to site
- Speak to one of the site operatives to let them know you are donating
- Place your items in the re-use container

Only items in a good and clean condition will be accepted

Registered Charity: 700731

If you cannot take your items to Arkwright Street, you can request a collection by Bulky Bob's. Please contact Oldham Council's Contact Centre on 0161 770 6644
