 reuse for Greater Manchester

Donate your unwanted furniture at Lumns Lane Household Waste Recycling Centre

As part of our commitment to provide a world class service across Greater Manchester, this Household Waste Recycling Centre (HWRC) now accepts donations of unwanted household furniture for re-use. The new service is delivered in partnership with CT New to You.

If you are updating your furniture or thinking of having a spring clean then why not donate your unwanted items. All donated furniture at Lumns Lane is collected by CT New to You, a charity in Salford committed to supporting the community. By donating your furniture you will:

- help to reduce the amount of items that go to landfill
- help others in your local community

Check the list of accepted furniture (see overleaf) or speak to one of the site operatives to discuss donating your unwanted furniture.

How does it work?

- Bring your unwanted items to site
- Speak to one of the site operatives to let them know you are donating
- Place your items in the Re-use Container

Only items in good condition will be accepted
